

CAMPING RULES FOR GUESTS WITH PETS

How to enjoy a happy and peaceful holiday with your four-legged friends!

1. We ask all pet owners to bring a valid "PET PASSPORT" or alternatively an up-to-date health insurance card when checking-in. *After all, nobody would travel without documents, right? ☺*
2. The law requires that all dogs are kept on a leash (no longer than 150cm) with a muzzle at hand when you take them for a walk. If your dog is considered a "biter" you need to keep them on a leash and put a muzzle on at all times.
You can take your dog to our "Doggyland" where you can free your gorgeous friend ... if you do not know where it is, have a look at our map or ask at the reception desk...
3. Your dear furry friends may not be left unattended at your pitch or in your vehicle. *You don't really want to leave them alone, do you?? If you still want to spend the day by the sea you can use the "dogbeach" nearby ;-)*
4. Your animals should always be taken outside of the campsite out for any mess, which you need to collect and dispose of in any of the appropriate bins. *Use our "dog-toilets" throughout the campsite!*
5. Pets will not be able to go into any of the following areas under any circumstance: common toilets, shuttle to the beach (except if they are in a cage), playgrounds for children and swimming pools. *We do this to encourage a peaceful, respectful coexistence with who does not have the fortune or chance to care for a pet. ☺*
6. We would like to remind you that insuring your furry friend against damage to property and / or people is the best way for everyone to enjoy a fantastic holiday! *Just a little advice*
...
7. Pets must not disturb other guests. *Make sure that your four-legged friend, even if upset or sad, has a master that attends to him/her and cares for other people*

The management reserves the right to ask guests who do not adhere to the rules above to leave the campsite; in particular, the management reserves the right to report offenders to the competent authorities, whenever deemed necessary. *It would be really unfortunate, and so far it has never happened ... and this is why we believe we have the best guests (furry or not) in the world ☺☺☺*
